

RESTORE Council Strategy Map

Purpose: The RESTORE Council will focus on projects, programs, and activities that contribute to the economic and ecological health of Coastal Alabama

Constituents: All of the Citizens of Coastal Alabama (what will the citizens say about the Council)

“We are investing for the long term future of coastal Alabama”

“The process for allocating funds is transparent and fair”

Internal Processes: (what do we need to do well to satisfy the citizens and be successful)

Develop a selection and evaluation process

Engage the citizens of coastal Alabama

Execute for lasting results

Finances: (our responsibility to our funders and community)

Be Good Stewards of RESTORE Act Money

Leverage and coordinate with other funding sources

Ensure Effective Controls and Audit
